Dear --FNAME--

January 2, 2018

HAPPY NEW YEAR!

Tuesday, January 16th - is our 2018 kickoff luncheon at the Kennedy Space Center Visitor Complex. Our speaker is Dale Ketchum, Space Florida's Chief of Strategic Alliances. You can [CLICK HERE](#) to register now. **Registration closes at noon on Sunday, January 14th. Seating is limited, so please reserve your place now.**

Please plan to arrive around 11:00 and park in Lot #4 on the northwest corner of the Visitor Complex. Delaware North will provide shuttle buses to take you directly to the Debus Center.

PLEASE NOTE THAT THE ENTRY GATE LOCATION HAS CHANGED. FOLLOW THE SIGNS TO THE REAR OF THE PARK AND WHEN YOU CAN, TURN LEFT TOWARD THE CENTER FOR SPACE EDUCATION. FOLLOW THE SIGNS.

Several changes mark the start of the new year:

(1) ALL of our luncheons this year will be hosted at the KSC VC in the Debus Conference Center. That decision was made in consideration of the many amenities offered, including free parking and post-lunch access to the Visitor Complex facilities for our members and invited guests.

(2) The costs of the luncheons increased by \$1.50 per person, and member cost will be \$18 (only a \$1 increase). Because we earn a surplus for fees over \$18, it was decided not to raise the \$20 fee for invited guests.

(3) Our website has been revamped to improve its appearance and functionality. All of the former features are retained but the main menu tabs have been reduced. **The online Registration and Payment tabs are nested under "EVENTS"**, and you can [CLICK HERE](#) to go there directly.

(4) The 2018 Member Directories and NALFL member badges will be available at this meeting for current members. Your badge will provide you free parking on the day of the luncheon.

(5) Our membership year runs from July 1 - December 31. **If you have not yet renewed, [CLICK HERE](#) to do that now.**

You and your guests will have free parking as usual, along with access to the Visitor Complex following the luncheon. **If you don't yet have your NAL badge, a parking pass is needed; please see below.**

Reserved Parking Area

Shuttle Service Provided
