Definitions for Member Status

MEMBER--An individual who meets the former NASA employee criteria, i.e., was employed as a permanent civil servant/federal employee. "Federal" includes military personnel who were assigned to NASA on a permanent detail/liason assignment.

- **Active**--An individual whose membership dues are current, i.e., membership date has not expired. A 90-day grace period is allowed after the expiration date before an individual is no longer considered a member. An active member is entitled to all of the benefits of the NAL membership.
- **Inactive**--An individual who has exceeded the 90-day grace period to pay NAL dues. He/she will go on the inactive member list but will remain in the chapter database records.
